Dear Permittee/ Lessee:

We have enclosed your annual Grazing Application for the upcoming grazing year (March 1, 2019- February 29, 2020). This form provides you the opportunity to apply for non-use or to make changes you may have relating to livestock numbers, kind of livestock, or season of use. These changes should be made in the space above the preprinted information.

Please be sure to also complete the items at the bottom of the form. These include the reason for any non-use, recording your brands and earmarks, and signing the form and returning the "Case File" copy to changes to your grazing application, or you wish to pay for your full permit , you do not need to return the grazing application and your bill will be issued at your full permitted numbers. The Actual Use forms (Yellow Forms) will be mailed with your grazing bill in February.

Precipitation

Judging from forage conditions on the allotments, it appears that most of our Field Office area received adequate precipitation late this last year.

We appreciate that many of you have voluntarily cut back on your numbers or have implemented alternative management strategies to cope with past dry conditions. Please be assured that if you decide to continue with these voluntarily reductions (non-use) in livestock numbers due to dry range conditions on your ranch or uncertainty about the upcoming year, it will not negatively impact your grazing permit or lease.

Range Improvements

If you are planning on constructing range improvements such as fences, pipelines, etc. please remember that all range improvements on public land require a Cooperative Agreement to authorize them. Be sure to contact us as soon as possible as this will allow plenty of time to schedule the necessary clearances, complete the Environmental Assessment and issue the Cooperative Agreement without putting you in a bind.

TERMS AND CONDITIONS APPLICABLE TO ALL PERMITS AND LEASES

1. Grazing permit or lease terms and conditions and the fees charged for grazing use are established in accordance with the provisions of the grazing regulations now or hereafter approved by the Secretary of the Interior.
2. They are subject to cancellation, in whole or in part, at any time because of:
 - a. Noncompliance by the permittee/lessee with rules and regulations.
 - b. Loss of control by the permittee/lessee of all or a part of the property upon which it is based.
 - c. A transfer of grazing preference by the permittee/lessee to another party.
 - d. A decrease in the lands administered by the Bureau of Land Management within the allotment(s) described.
 - e. Repeated willful unauthorized grazing use.
 - f. Loss of qualifications to hold a permit or lease.
3. They are subject to the terms and conditions of allotment management plans if such plans have been prepared. Allotment management plans MUST be incorporated in permits or leases when completed.
4. Those holding permits or leases MUST own or control and be responsible for the management of livestock authorized to graze.
5. The authorized officer may require counting and/or additional or special marking or tagging of the livestock authorized to graze.
6. The permittee's/lessee's grazing case file is available for public inspection as required by the Freedom of Information Act.
7. Grazing permits or leases are subject to the nondiscrimination clauses set forth in Executive Order 11246 of September 24, 1964, as amended. A copy of this order may be obtained from the authorized officer.
8. Livestock grazing use that is different from that authorized by a permit or lease MUST be applied for prior to the grazing period and MUST be filed with and approved by the authorized officer before grazing use can be made.
9. Billing notices are issued which specify fees due. Billing notices, when paid, become a part of the grazing permit or lease. Grazing use cannot be authorized during any period of delinquency in the payment of amounts due, including settlement for unauthorized use.

The holder of this authorization must notify the authorized officer immediately upon the discovery of human remains, funerary objects, sacred objects, or objects of cultural patrimony (cultural items), stop the activity in the area of the discovery and make a reasonable effort to protect the remains and/or cultural items.

11. Grazing fee payments are due on the date specified on the billing notice and MUST be paid in full within 15 days of the due date, except as otherwise provided in the grazing permit or lease. If payment is not made within that time frame, a late fee (the greater of \$25 or 10 percent of the amount owed but not more than \$250) will be assessed.
12. Members of Congress may not enter into a grazing permit or lease. 41 USC 6306 (2014). Further, no officer, agent, or employee of the Department of the Interior, other than members of Advisory committees appointed in accordance with the Federal Advisory Committee Act (5 U.S.C. App. 1) and Sections 309 of the Federal Land Policy and Management Act of 1976 (42 U.S.C. 1701 et. seq.) shall be admitted to any share or part in a permit or lease for grazing or derive any benefit to arise from a permit or lease for grazing.
